Dear Tony,

On behalf of the Royal Canadian Navy Officers at HMS Sultan I would like to express my sincere gratitude for an excellent tour of the Normandy battlefield sites from your superb team at Rifleman Tours.

The attention to detail displayed by both you and the tour guide made for a very enjoyable and rewarding experience. The small touches such as the "welcome package" and the "refreshments" on the coach set you apart from other tour managers.

Please pass on my thanks to the rest of your team!

Kind Regards,

Lt Cdr, R J Petitpas
Marine Engineer Officer
