Dear Tony & Allie

On behalf of the Branch Members who joined you for the Ypres Trip recently can I say a very big thank you.

Certain phrases or words are often over used but 'Brilliant', 'Fantastic Value', 'Really enjoyed the trip' plus all positive comments regarding both yourselves, Iain the guide and Ron the driver are very special especially when those words or phrases come from our Branch Members talking about the trip, where they visited and the logistics.

Well done, keep up the good work and The Ox & Bucks Branch look forward to many trips over the years to come with Rifleman Tours,

With all best wishes,

Nigel Crompton – Chairman
